Motion Name: Produce an official CoDA Phone/Tablet App

Motion – Allocate approximately \$5,000 of 2024/2025 spending towards producing an initial, simple CoDA Inc. Phone/Tablet App which is complete with all meeting materials including required and optional documents.

Intent, background, other pertinent information (Do NOT attach a file. If you have reference documents, please embed them here):

Increase accessibility to required and optional meeting materials for all CoDA members. Many members can't afford computers. Phone/tablet apps are formatted to download documents as a part of the app thereby allowing the user immediate access.

Remarks:

Phone/tablet apps would support unencumbered access to required and non-required CoDA endorsed literature. This makes it easier to help start a meeting, utilize required documents and read introductory material especially when/where limited by lack of financial resources or internet access. The materials are already on the CoDA.org website for free access. Working the Twelve Steps and Twelve Traditions and reading recovery material will now be accessible for the many who desire recovery.
