What is CoDAteen?

Brief introduction to the
Codependents Anonymous
Program for teenagers

What is CoDAteen?

CoDAteen, part of Co-Dependents Anonymous, is a community of young people whose common purpose is to develop healthy and loving relationships. In general, CoDAteen is for “teenagers”, ages 13 to 18 years. Each group can decide through their group conscience on the acceptable age range of attendees.

CoDAteen Meetings

The basic purpose of a CoDAteen meeting is to allow young people to discover a healthy and loving relationship with their Higher Power, themselves, and others. This happens according to their experience with Step work, sponsorship, and, most importantly, the identification with others in the group. Seeing others with similar feelings and problems find a common solution is the key to trusting in a Higher Power of our own understanding.

Meeting Structure

Each CoDAteen meeting must have a sponsoring CoDA group which holds business meetings with adult hosts/sponsors to help oversee the CoDAteen group. Likewise, the group can help with transport, finances, hosts/sponsors recruitment, alternate hosts/sponsors, and with special events. The sponsoring group would also be responsible for assuring that the hosts/sponsors and any other adult CoDA member working with minors meets the Minimum Behavioral and Safety Requirements for CoDAteen as well as any other local requirements for working with teens. The CoDAteen sponsoring group is key to Tradition Four; “Each group should

remain autonomous, except in matters affecting other groups or CoDA as a whole”. Local, Intergroup groups and Voting Entities maintain adult responsibility for the teenagers. Without the adult sponsoring group, the 'autonomy' would be impossible to establish.

The Role of Adults

The role of the CoDAteen host/sponsor is to provide a safe place for teens to share with each other, and to support and encourage the group as a whole. Adult hosts/sponsors do not serve as personal sponsors to individual CoDAteens. They address inappropriate or problematic behavior if necessary.

Training Resources for Adult Hosts/Sponsors

The group adopts a process for training adult hosts/sponsors by using recommendations and resources from the CoDAteen Meeting Handbook. The host groups can offer workshops, retreats and/or reading materials, etc. Section 3 of the CoDAteen Meeting Handbook offers recommended resources approved by the CoDA Service Conference.

Behavior and Safety Requirements

Every adult CoDA member or host/sponsor involved with CoDAteen must:

- Be a CoDA member who regularly attends CoDA meetings, who has a sponsor and is working on the CoDA Twelve Steps and Twelve Traditions according to the CoDA program of recovery.
- Be at least 25 years old with a minimum of 3 years of recovery in CoDA and has

- There must be two adult hosts/sponsors at every CoDAteen meeting, but if this is not possible, one adult host/sponsor who is certified and sponsored by a CoDA group and meets all other requirements may be acceptable.
