CoDA Resource Publishing, Inc. (CoRe) is a not-for-profit service organization that supports CoDA's mission to reach codependents who still suffer. CoRe supports CoDA's mission by ensuring the "still suffering" are able to obtain CoDA approved materials by publishing and selling these materials. In addition, CoRe royalties provide the financial support needed by CoDA to maintain an organization that can continue to bring programs and services to the CoDA community, as a not-for-profit.

I served on the Events Committee for World for three years. I managed the Registrations, monitored Eventbrite, and gave report at our meeting. I refunded members if they cancelled, and kept a record of all the registrants. Since it was COVID, I did not attend in person, but was active on the zoom call when we had the CoDA Service Conference.

I also was the Host contact person for when the CoDA Service Conference was in Georgia. I monitored the welcome table, and gathered information for visitors to know where to go. I helped in the Hospitality Room, keeping the Hospitality room stocked with snacks.

I am on the organizing Committee for the CoDA Hilton Head Retreat, helping restart the retreat after it went defunct for three years during COVID.

I am the treasurer for the Bridge to Recovery CoDA Fellowship (Local Meeting)

I have many sponsees, for which I am dedicated to them.

I have started a step study group, that lasted for one full year with 6 members that stayed with it.

I enjoy being of service to CoDA and giving back. I look forward to serving on the CORE Board.
